Who We Are

Graphic Era (Deemed to be University) is the culmination of the hard work of its visionary founder, Prof. (Dr.) Kamal Ghanshala, who had the dream to change the destiny of thousands of youths through quality and holistic education. In 1993, he embarked on the mission to transform the higher education landscape of the Doon Valley with twenty-nine thousand rupees in his pocket and loads of determination in his heart.

His vision gained concrete shape in 1996 in the form of the Graphic Era Institute of Technology (GEIT). In 2008, it was accorded the prestigious status of Deemed to be University under Section 3 of the UGC Act, 1956 vide Notification F.9-48/2007-U.3 (A) dated 14 August 2008 and approved by the Ministry of Human Resource Development, Government of India.

Today, Graphic Era (Deemed to be University) stands tall as NAAC 'A+' accredited university with 7 NBA accredited programs and is ranked among Top 100 Universities of India by National Institutional Ranking Framework (NIRF), Ministry of Education with All India Rank 52 in the Engineering Category, All India Rank 59 in Management Category, and

All India Rank 52 in the University Category.

This premier university regards industry-academia partnership as it integrates the inputs from industry experts and practitioners in the teaching methodology & curriculum. It has taken big initiative in engineering programs by getting into partnerships with Tata Technologies and IBM. Moreover, it hosts DST sponsored Technology Business Incubator that funds, mentors and nurtures business ideas, start-ups and technology-based entrepreneurship.

Graphic Era (Deemed to be University) has acquired transnational dimensions through student exchange and knowledge-sharing programs with many reputed foreign universities from US, Europe, Asian regions and Australia and has been acclaimed and honored at international forums for upholding the highest standards of education. The alumni of Graphic Era (Deemed to be University) are making their mark worldwide in marquee brands like Apple, Google, Microsoft, HSBC, TCS, WIPRO, Capgemini, INFOSYS, Tech Mahindra, Cognizant to name a few and in the service of the nation in all wings of Indian Armed forces.

Visionary Insights

The DNA of excellence in education and research that runs deep within Graphic Era stems from its Founder, Prof. Kamal Ghanshala, one of India's leading teacher, and trainer in the field of Computer Science engineering and inarguably the only Promoter in the country who has been taking classes every semester for the past 30 Years.

Brief Profile

The Founder-President of the prestigious Graphic Era Group of Institutions is a renowned academician and edupreneur. Prof. Ghanshala still continues to take classes of every student of Computer Science of Graphic Era Group of Institutions, ensuring a high level of competence in the core subjects of Data Structures and Algorithms. His contribution in the field of research has been presented and recognized at various forums globally in USA, Canada, London, Paris, Germany, Denmark, Johannesburg, Turkey, Croatia and Thailand. Amongst many laurels, he has been conferred the 'Visionary Edupreneur of India Award, 2017' by Hon'ble Former President of India, Mr. Pranab Mukherjee for outstanding contribution to quality Technical and professional education and research.

Education at Graphic Era (Deemed to be University) is responding to what is happening in the world today - the movement towards becoming a global community, by educating our youth from across the countries who will be the next generation of global technocrats, medical and paramedical practitioners, management professionals, biotech scientists and many others.

As a teacher, trainer and researcher I see that my role is to support the students in attaining their dreams - in growing into the global leaders that they are poised to become.

At the most fundamental level, the Graphic Era teaching and learning environment ensures that the students, both, benefit from and contribute to a supportive community where they have the confidence to take risks, to grow and to succeed.

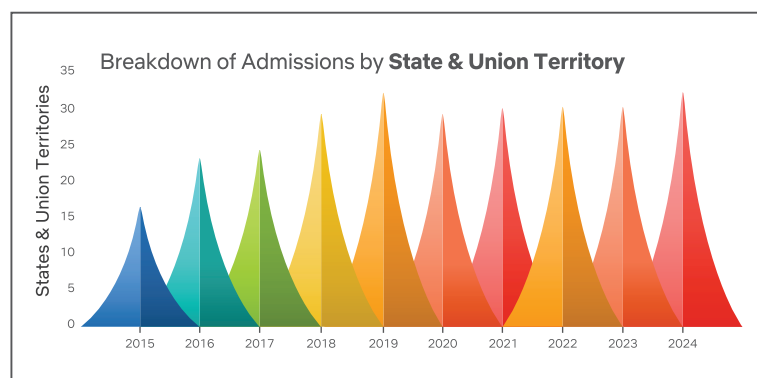

What draws everyone to GEU are the people here; the students, the faculty, the staff and the management, all of them are very engaging, evolving and of course compelling. I hope when you are here you will recognize the uniqueness of the GEU community as we share our experiences of pursuing our dreams in the classroom, on campus, in our city, in our country and in our world.

A handwritten signature in black ink that reads 'Kamal Ghanshala'.

Prof. Kamal Ghanshala
President, Graphic Era Group of Institutions

Over the past decade, the university has experienced steady growth in admissions, expanding its influence across India, particularly in Tamil Nadu, Maharashtra, and Uttar Pradesh.

Challenging Times

During COVID-19, the university maintained stable recruitment, showcasing its resilience, strong infrastructure, and adaptability amid global disruptions.

Regional Engagement

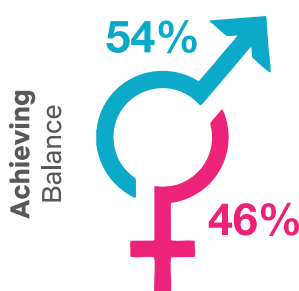

By maintaining diverse regional admissions, the university reaffirms its commitment to quality education and remains a top choice for students.

Fostering Inclusivity

The university maintains a 54:46 male-to-female ratio, promoting inclusivity. Fluctuations in state contributions reflect shifting educational preferences, guiding its adaptation.

Commitment to Excellence

A decade of data highlights the university's admission growth, commitment to high standards, strong student support, and esteemed reputation in Indian higher education.

India's First Future Ready GenAI Campus

Powered by **AWS**

Graphic Era Deemed to be University took lead in the AI Education realm by establishing India's first future ready GenAI Campus in collaboration with AWS. The Campus is now equipped with the Hands-On training capability for all students specialising in AI and related fields through AWS Skill Builder where all AWS Generative AI Services along with tailored courses around Generative AI accessible to all students.

The University also has a deep 5 Semester Integration of modern day Generative AI Subjects and learning as a part of the standard curriculum where all lab exercises are done on modern AWS Platforms utilising cutting edge GenAI tech services such as AWS BEDROCK and AWS SAGEMAKER, allowing students to get familiar with the process of setting up and utilising production ready environment for large scale GenAI applications.

Graphic Era is also India's first private University to incorporate Quantum Computing as a part of the mainstream curriculum with the scope defined in collaboration with India's leading SMEs from AWS and practical exposure on AWS Quantum Computing Platforms.

Graphic Era is currently India's first and largest consumer of AWS Skill Builder for daily specialised Teaching and Learning practices.

About Graphic Era Institute of Medical Sciences (GEIMS)

Graphic Era Institute of Medical Sciences (GEIMS) is envisioned as a premier medical college dedicated to providing top-quality healthcare education that rivals global standards. Under the umbrella of GEIMS lies Graphic Era Hospital, a beacon of future-focused healthcare equipped with cutting-edge medical technology.

With Graphic Era's rich legacy of 30 years in delivering quality education to many of the brightest minds working across the globe, GEIMS is also committed to modern, tech-enabled learning paradigms. The entire campus is designed with advance digital mediums and contemporary teaching methodologies at its core.

Aligned with the vision of the Hon'ble Prime Minister of India, who prioritized addressing the challenge of quality healthcare for all through initiatives like Ayushman Bharat, GEIMS stands as a proud supporter of this noble cause. Serving a vast

geographical area from Yamunotri at the China Border to Dehradun, GEIMS is the premium health care ecosystem for the entire population in this region.

GEIMS has emerged as a leader in serving patients under various government schemes such as CGHS, ECHS, SGHS Golden Cards, and ESI, in addition to collaborating with major health insurance providers. Through regular outreach camps in remote areas of Uttarakhand, even extending to Territorial Army bases, GEIMS ensures healthcare accessibility to the farthest corners.

The institution aims to foster an ecosystem that nurtures healthcare professionals of the highest caliber, instilling in them the ethical values necessary to ensure equitable healthcare delivery. Uttarakhand, with its challenging geography, will emerge as a national benchmark in producing some of the finest doctors in the country in the years to come.

Driving Innovation, Shaping Futures

At Graphic Era (Deemed to be University), innovation is at the heart of our academic and research ecosystem. With a commitment to excellence, we nurture a dynamic environment where world-renowned researchers collaborate with bright young minds to push the boundaries of knowledge. From groundbreaking inventions to transformative research, we empower our students to become pioneers in engineering, technology, and innovation, driving progress across diverse

Turbulent Wind Tunnel

The pilot project to develop an energy efficient 'Turbulent Wind Tunnel' has been successfully completed at the university. The state-of-the-art machine can generate a maximum speed of 40 m/sec at a rotational speed of 8000 rpm. The Velocity history of random fluctuating flow can be reproduced with high accuracy

in a 3D multiple fan wind tunnel. The air flows can be generated by 12 frequency controlled fans arranged individually in a 3 wide by 4 high Matrix. Notably, the advanced machine can be used as a conventional type Open Circuit Wind Tunnel as well. Notably, the project was first-of-its-kind in India.

Innovation and Research Excellence at Graphic Era (Deemed to be University)

In an era defined by knowledge and innovation, Graphic Era (Deemed to be University) empowers students to become trailblazers of progress. By blending academic rigor with hands-on research, the university creates an ecosystem where creativity flourishes, and transformative ideas emerge.

Equipped with cutting-edge laboratories and state-of-the-art infrastructure, Graphic Era (Deemed to be University) facilitates meaningful research across emerging fields. Collaborations with industries, government bodies, and international institutions provide students with practical exposure and global insights while tackling real-world challenges.

With a distinguished faculty celebrated for groundbreaking research and patents, students are mentored to innovate and implement impactful solutions. The university's commitment to excellence is evident through

Life at Campus

The university offers one of the most happening campuses around, not just because of the modern and vibrant architecture taking you away from the conventional feel of boxy concrete blocks, but because of all Graphians who actually make one feels like home.

National Cadet Corps (NCC)

The Armed Forces are an inseparable part of the philosophy of the state of Uttarakhand, and this is reflected in the presence of Cadets you can see around the campus, diligently preparing for parades and rigorous training to become part of the forces. From participating in the official parades on Republic Day and Independence Day to getting inducted into the Armed Forces, the NCC Team at Graphic Era (Deemed to be University) has countless stories to share.

Sports Facilities

India is striving to become fitter, with individuals ranging from politicians to athletes engaging in fitness challenges. However, at Graphic Era (Deemed to be University), we can guarantee that

there is no challenge one cannot conquer. Our institution boasts world record-breaking cyclists, national-level footballers, powerlifters, archers and cricketers. It's a legacy one must be a part of to truly comprehend.

Student Clubs

Student Clubs are the heart and soul of Graphic Era (Deemed to be University) student experience. These clubs provide a vibrant, collective and fun community to suit the needs of our diverse student body. Whether you are interested in career, cultural or sports clubs, there is always more going on than you could ever have time for. Clubs provide students with an opportunity to explore their areas of interest.

Accommodation

Residential Living provides a safe environment in innumerable residence halls, dining service with nutritious and sustainable meals, cultivates community feeling and enhances ones' educational experience on campus. Every effort is made that the hostellers get a homely ambience by providing them a home away from home.

Student Activities

Catch a glimpse of the most happening campus around, not just because of the modern and vibrant architecture taking you away from the conventional feel of boxy concrete blocks, but because of all Graphians who actually make you feel like home.

Social Life

The students at Graphic Era (Deemed to be University) hail from different nationalities and almost all the states of India, ensuring a diverse and culturally rich crowd to interact with. The students also hail from varied domains thus ensuring that students of different approaches and thoughts and professions learn from each other on a daily basis. The social life at GEU thus, is extremely colorful and productive to say the least.

Why Dehradun?

A Perfect Blend of Nature & Culture

Dehradun is not just famous in the world for its scintillating surroundings and mesmerizing beauty but it is also known for its rich heritage. “Unity in diversity” holds true for the culture one experiences at Dehradun. The city is unique, colorful and famous for its tradition, hospitality, liveliness and generosity.

The city culture of Dehradun has played a key role in the development of the city which weaves together its cuisine, festivals, music, literature, art and so on making it stand out distinctively. Fairs and festivals are the best way to display the rich societal culture in Dehradun.

Dehradun: Where nature meets serenity and adventure awaits.

How to reach Dehradun?

To reach Dehradun, you can use various modes of transportation depending on your preference and location. Here's a guide on how to reach Dehradun by air, rail, and road:

Flight

The airport to Dehradun is the Jolly Grant Airport, also known as Dehradun Airport. Several domestic airlines operate regular flights to and from Dehradun, connecting it to major cities in India like Delhi, Mumbai, Bangalore, Kolkata, and Chennai.

Railways

Dehradun Railway Station, is well-connected to various cities across the country. It is part of the Northern Railway network and has frequent train services. Several express trains and superfast trains operate on this route, linking Dehradun to cities like Delhi, Mumbai, Kolkata, Chennai, Jaipur, and Lucknow.

Road

Dehradun is well-connected to neighboring cities and states through a network of national highways and state highways. The city has good road connectivity, making it accessible by bus, taxi, or private vehicle. You can reach Dehradun by road from nearby major cities like Delhi, Chandigarh, Haridwar, Rishikesh, and Shimla. Several government and private bus run regular bus services to and from Dehradun.

A Day in the Life of Student

The day begins with an engaging session led by an inspirational guest speaker or a distinguished faculty member, introducing students to essential topics in their field of study. Senior students participate in thought-provoking lectures, while younger groups enjoy interactive and focused learning experiences. Graphic Era (Deemed to be University) emphasizes innovative teaching methods that encourage skill development and holistic understanding.

The second session delves deeper into key themes, fostering motivation and creative exploration. Students engage in discussions, debates, and activities designed to promote critical thinking and collaborative learning.

Lunch break! Students can unwind and enjoy a healthy meal with peers. The sprawling Graphic Era (Deemed to be University) campus provides the perfect environment for a relaxing walk, or senior students can explore nearby cafés and eateries to experience Dehradun's vibrant culture.

Afternoons are dedicated to hands-on workshops and collaborative group projects. Students immerse themselves in practical learning, whether through preparing mock trials, clinical workshops, or brainstorming innovative business proposals. This time provides an opportunity to apply theoretical knowledge to real-world scenarios.

Post-lunch, students participate in enriching academic and cultural activities. This might include guided tours of campus research facilities, practical project work, or exploring the picturesque surroundings of Dehradun. Sports and leisure activities such as yoga, fitness sessions, or team games are also available to ensure a well-rounded experience.

Evenings are for relaxation and recreation. Students can enjoy a variety of activities, from quiz nights and group debates to cultural evenings and musical performances. These sessions offer the perfect end to a productive day, as students recharge for the next day's learning and exploration.

7.00 pm

Dinner at Graphic Era (Deemed to be University) is a time to connect with peers and faculty in a casual or formal setting, sharing insights, knowledge, and the day's memorable experiences. It's an opportunity to bond and celebrate the vibrant university culture.

Courses Offered

Session 2025-26

100+

Courses

20+

Disciplines

We believe that the right course for every student depends on his or her natural aptitude, liking and interest for the stream and it should be a well thought out decision as that program will eventually

become the professional field of the student in the years to come.

There are numerous specialisations offered at both UG and PG levels across a multitude of programs as these

specialisations provide the edge by providing the student hands-on exposure to new age skills and tools, helping them fast forward their professional career and make it big in a shorter span of time.

Department of Computer Science & Engineering

- B.Tech Computer Science & Engineering (CSE)
- B.Tech CSE (H) with specialisation in Artificial Intelligence & Machine Learning / Artificial Intelligence & Data Science / Cyber Security / Generative AI
- B.Tech CSE (Cyber Security)
- B.Tech CSE (AI & ML)
- B.Tech CSE (AI & DS)
- B.Tech Computer Science & Engineering (Regional Language Quota) - Hindi
- M.Tech Computer Science & Engineering (CSE)

Department of Mechanical Engineering

- B.Tech Mechanical Engineering (ME)
- B.Tech ME (H) with specialisation in Robotics & Automation / Automobile
- B.Tech ME with minor specialisation in Computer Science
- B.Tech ME for Working Professionals*
- M.Tech (CAD/CAM)*

Department of Electrical & Computer Engineering

- B.Tech Electrical & Computer Engineering
- M.Tech Electric Vehicle Technology*

Department of Electronics and Communication Engineering

- B.Tech Electronics and Communication Engineering (ECE) with optional specialization in Embedded Systems and Robotics (ESR) / Internet of Things (IoT)
- B.Tech (ECE) for Working Professionals
- B.Tech Electronics Engineering (VLSI Design and Technology)*
- M.Tech Biomedical Engineering*

Department of Earth Science

- B.Sc Geology
- B.Sc (H) Geology
- M.Sc - Applied Geology

Department of Biotechnology

- B.Tech Biotechnology

Department of Civil Engineering

- B.Tech Civil Engineering
- B.Tech CE with specialisation in Construction Management / GIS & Remote Sensing*
- B.Tech CE for Working Professionals*
- M.Tech Structural Engineering
- M.Tech Structural Engineering for Working Professionals*

Department of Aerospace Engineering

- B.Tech Aerospace Engineering
- B.Tech Aerospace with specialization in Space Technology*
- B.Sc Aeronautics

Department of Computer Application

- BCA / BCA (H)
- BCA Industry Integrated
- BCA / BCA (H) in AI & DS
- BCA / BCA (H) in Cybersecurity
- B.Sc / B.Sc (H) IT
- B.Sc IT (Industry Integrated)
- B.Sc / B.Sc (H) Computer Science
- MCA
- MCA with AI & DS
- M.Sc IT

Department of Management

- MBA with specialisation in Marketing / Finance / Human Resource / Business Analytics / Logistic & Supply Chain Management / Banking & Finance / Branding & Advertising / International Business / Digital Marketing / Retail Management / Entrepreneurship / Sports Management
- MBA IMPACT
- MBA with specialisation in Hospital Administration / Aviation Management
- MBA in Artificial Intelligence & Data Science

Department of Commerce

- BBA
- BBA (H)
- BBA with specialisation in Entrepreneurship / Hospital Administration / Aviation Management / AI & DS / E-commerce and Digital Marketing
- BBA (H) with specialisation in Entrepreneurship / Hospital Administration / Aviation Management / AI & DS / E-commerce and Digital Marketing
- BBA/BBA (H) International Finance and Accounting with ACCA
- B.Com (H)
- B.Com (H) with Research
- B.Com (H) International Finance and Accounting with ACCA, UK
- B.Com (H) Banking & Finance
- B.Com (H) Accounting, Auditing & Taxation
- B.Com (H) Corporate Accounting and Financial Analysis with CMA, US
- B.Com (H) Integrated with US CPA in Corporate Finance*
- B.Voc in BFSI*

Department of Paramedical Sciences

- Bachelor of Physiotherapy
- Bachelor of Medical Radiology and Imaging Technology
- Bachelor of Medical Laboratory Technology
- B.Sc Operation Theatre
- B.Sc Medical Microbiology
- Bachelor of Optometry

Department of Biosciences

- B.Sc (H) Biotechnology
- B.Sc (H) Forensic Science
- M.Sc Bioinformatics
- M.Sc Biotechnology

Department of Microbiology

- B.Sc Microbiology
- B.Sc (H) Microbiology
- M.Sc Microbiology

Department of Allied Sciences

- M.Sc Chemistry
- M.Sc Environmental Science

School of Design

- Bachelor of Design (UI/UX)*
- Bachelor of Design (Industrial Product Design)*
- Bachelor of Design (Graphic and Visual Communication Design)*
- Bachelor of Design (Animation and Game Design)*

College of Nursing

- B.Sc Nursing

Department of Hotel Management

- Bachelor of Hotel Management (BHM)
- Masters in Hotel Management (MHM)
- Certificate Course in Hotel Operations

Department of Food Science and Technology

- B.Sc Food Technology
- B.Sc (H) Food Technology
- B.Sc Nutrition and Dietetics
- B.Sc (H) Nutrition and Dietetics
- M.Sc Food Technology
- M.Sc Foods and Nutrition

Faculty of Humanities & Social Science

- Bachelor of Arts (BA)
- BA (H) English[#]
- BA (H) Psychology[#]
- BA (H) Sociology[#]
- BA (H) Economics[#]
- BA (H) Political Science[#]
- MA English
- MA Applied Psychology
- MA Sociology
- MA Economics*
- MA Political Science

School of Law

- BA LLB (Hons.)*
- BBA LLB (Hons.)*
- LLB (Hons.)*
- LLM*

Ph.D Programs

- Available in different domains

[#]These programs are also available with the duration of 4 years.

*Scheduled to commence from the Academic Year 2025-26.
